We offer a local, all under one roof, shopping experience, for furnishing your new home, rental property, holiday home or a room restyle within your family home.

Over 40 years experience!

It is from humble beginnings, that Simon Mapp founded our Carpetwise flooring company, over 40 years ago. Since then, our company brand has expanded; Curtainwise supplies quality curtains and coordinating soft furnishings, Furniturewise was incorporated, to offer stylish and classic furniture pieces.

Today, Simon is joined by two generations of his family, Shane and Kieran, securing this family run firm for the future. This family business is supported by a friendly team of experienced and dedicated employees. We have established ourselves with a reputation of being one of the Midlands' leading specialists, for carpets, Amtico, Karndean, hard floor coverings, rugs, curtains, blinds, soft furnishings, furniture and beds. We have a wide selection of many well-known brands. Our philosophy is to go that extra mile. Ensuring all our customers receive an exemplary service and are happy with their choice of products, while keeping your budget requirements in mind. Bespoke seamstress services along with professional curtain, blind and floor installers, will ensure your chosen products enhance your rooms. Moving heavy furniture should not be a worry for you; we can offer that service too! Choose our dedicated furniture delivery, our delivery team will unpack and place your furniture exactly where you require it. We are a member of Associated Independent Stores, the largest independent buying organisation within UK and Ireland, this enables Simon, Shane and Kieran to buy competitively and then pass these discounts onto you, their customers. Drop by the showroom and take a leisurely look at all the fabulous collections! You will be spoilt for choice.
